

Do you employ new migrants or want to in the future?

OR... do you provide a service to new migrants or refugees and their families?

Local Stakeholders Network [LSN] meeting – Thursday 30 June 2011

This is Your Invitation to share, and discuss, what it is that you offer **or** would like to offer [or access] for newcomers to our region in NZ.

Bring your **business cards** and **network** with other employers or service providers.

The forum includes exchanging knowledge of 'who does what' locally and highlight key issues in a quick and informal way:

- *Settlement Support New Zealand & partners - we've come a long way in five years*
- *The SSNZ Co-ordinator's role in the community*
- *Who do you represent and what is the role of the agency?*
- *Which groups do you work with?*
- *What support can you offer to new settlers?*
- *How can SSNZ support your service?*
- *Future topics of interest?*
